

# Taking the Guesswork OUT OF COMPLIANCE

 **CALCOMPLY**  
INNOVATION THROUGH COMPLIANCE

[WWW.CAL-COMPLY.COM](http://WWW.CAL-COMPLY.COM)

# ARE YOU WORRIED ABOUT SURVIVING IN A SEA OF REGULATIONS?

# CAL-COMPLY IS YOUR LIFELINE TO SUCCESS

DO YOU NEED HELP IN SAFELY NAVIGATING **THE DANGERS** THAT LURK **IN THE FINE PRINT** OF LOCAL AND STATE LAWS AND ORDINANCES? **WE ARE HERE TO HELP.**

State, County and Local governments are adding layers of rules and regulations, which directly affect your business. We will help you understand where your enterprise stands with regards to laws and regulations, and help you develop and execute a plan to bring your cannabis operation up to code and out of the shadows.

## WE PROVIDE

### Compliance Assessments

Our primary focus is on getting you MAUCRSA compliant with all needed permits and licenses under the current regulatory framework.

### Business Strategy

We provide an accurate roadmap for the entire compliance process with detailed planning, timelines and cost projections.

### Property Development

We help our clients convert their project into a complete design and construction package utilizing state-of-the-art technology.

### Plans & Timelines

From our initial compliance assessment to the day you become operational, we provide accurate planning and timelines.

CAL-COMPLY BRINGS DECADES OF **EXPERTISE IN DESIGN, BUILD, AND COMPLIANCE**, HELPING CLIENTS LIKE YOU BRING CONCEPT TO FRUITION AND DREAMS TO REALITY.

## OUR SERVICES INCLUDE:

- **Liaison and Advisory Services.** We interface with local and state authorities regarding ordinances, trends, permitting, etc.
- **Project/Property Permitting** feasibility studies (is that parcel right for your business?)
- **Operational Audits** to determine gaps in compliance and areas requiring attention
- **Strategic Planning.** A “roadmap” to help you get from where you are to where you want to be
- **Design and Permitting.** We work with you and our team of design and industry experts to develop comprehensive building and zoning permit applications that are complete, on budget, and on time, saving you money by eliminating costly and time-consuming corrections. We develop comprehensive building and use permit plans that incorporate elements designed to satisfy the most stringent code requirements.
- **Project Management.** Cal-Comply will see your plans through from breaking ground to cutting the ribbon.
- **Operational Compliance.** From injury and illness prevention plans to standard operating procedures, Cal-Comply can help you stay in compliance and avoid the pitfalls of daily operations, staffing issues, meeting use permit conditions, etc.

**WE MAKE COMPLIANCE EASY FOR YOUR BUSINESS**
